

# Case Study

## Situation/ Problem

I always wanted to keep the wages as private as possible and have always processed them myself, but the administrative burden became too much of a time waster for me.

## Considerations

- The number of current Employgroup customers
- The experience gained from over 20 years in the business
- And the price quoted

## Current Services

Aussiepay fully managed payroll services.

## Improvements

Time, and therefore cost saving.

## Recommendation?

Yes, I would be happy to recommend Employgroup.
